

Welcome Vendors,

January 28, 2010

The Worland-Ten Sleep Chamber of Commerce is hosting the **2010 Big Horn Basin Trade Expo**. This year's show will be on *Friday, March 26th and Saturday, March 27th at the Worland Community Center Complex*. This is a terrific opportunity to bring businesses, services and individuals, to exhibit their merchandise and explain the nature of their product lines or services. ***Retail sales are permitted.***

There will be a ***"food court"*** in the back gym providing a wide variety of food. This year we are re-routing the traffic flow to give better exposure to all vendors. We will once again have the ***Center Stage***, located in the front gym. We encourage you to call us for details and to sign up, for it is a ***"first come, first basis"***. We will have the Money Machine this year and will provide the coupons; the first 50 coupons will be free, an additional 50 coupons will cost \$10.

Each booth space is 8x10 with one table and two chairs. If you need additional tables, please let us know in advance and there will be a \$10 fee for electricity. If you are planning on handing out samples of popcorn, drinks, etc . . . you will need to contact the Health Food Office for a permit (347-2534). All vendor booths **must** have a 2 x 6 ft. banner, if you do not, contact the Chamber office. Name tags will be available for vendor workers if needed, contact the Chamber.

This year there will be prizes given away that are drawn from the Mystery Booth. Friday night we will be providing security for those leaving items at their booths. We have averaged over 1,000 people for many years and hope to add to the attendance this year. The committee has set up an advertising budget to invite vendors and spectators to the event.

Due to limited number of spaces, the deadline to sign up is ***March 1, 2010 by 5 p.m.*** Please complete and return the enclosed form to the Chamber Office along with your payment. Forms received after ***March 1, 2010*** will be charged a late fee of \$25.00 and space will be limited.
